**Cleaning With Gasoline.**  
In cleansing soiled articles in gaso-  
line it is best to use the gasoline hot.  
This is a secret of professional clean-  
ers well worth knowing. The gasoline  
is easily and safely heated by placing  
the receptacle containing it in a larger  
one (away from the fire, of course), con-  
taining hot water. The gasoline will  
quickly become hot. Let the soiled  
articles soak an hour, covering all with  
a thick cloth to prevent evaporation.  
Wash in the usual way, using a mild  
soap if very badly soiled, afterward  
rinsing in clear warm gasoline and  
hanging them outdoors to air. If any  
odor is left pressing it with a hot iron  
will remove it. Let the gasoline stand  
covered to settle, when it can be poured  
off and used again.--Exchange.

**Air the Bedding.**  
Air your bedding thoroughly every  
morning and you'll not only have bet-  
ter health, but the bed will be fresher  
and more comfortable. In addition to  
this daily airing put the mattress, pil-  
lows, blankets, comforts and pads out  
in the sunshine at least once a week  
and let them air for half a day. If  
possible find time to gently whip the  
pillows and mattresses with a light  
stick or rug beater, for some dust is  
bound to collect during a week's usage,  
and this--which is unhealthy if allowed  
to accumulate--in time breeds germs,  
besides taking elasticity from the feath-  
ers and making the hair filling the mat-  
tress dull.

**Clothes Baskets.**  
Clothes baskets used in a laundry do  
not as a rule receive sufficient atten-  
tion and therefore are the cause of  
stains on the line. When the week's  
washing is completed all baskets should  
be well scrubbed, rinsed and  
placed in the air to dry. From long use  
many clothes baskets are stained at  
the bottom and consequently are cov-  
ered with a piece of paper, a cloth, etc.  
Instead of either of these a piece of  
white olefin or mackintosh sheet is  
preferable, for it contains nothing that  
can stain the clothes and can be wiped  
dry after using.

# Doings Among the Soul Winners.

On last Sunday, June 17, Rev.  
E. T. Preston preached in the  
forenoon at Lost Creek and in the  
afternoon at Big Branch to large  
and attentive audiences. The sub-  
jects of the discourses were  
"Heaven" and "Preaching." The  
people were well pleased. Rev.  
George Druschal and wife are the  
Soul Winner missionaries at these  
points and are doing splendid  
work. They have two rousing  
Sunday schools besides preaching  
service and prayer meeting.

The Sunday schools will hold a  
union picnic on July 4.

Miss Hattie C. Kraul had charge  
of the large Sunday school at the  
mouth of Quicksand on Sunday,  
during the absence of Bro. Pres-  
ton. It was a splendid meeting.  
Miss Kraul's kindergarten school  
is flourishing.

There will be Sunday school on  
next Sunday, June 24, as usual,  
at Round Bottom, on Quicksand,  
in James Back's grove, at 10 a. m.  
Following Sunday school, Rev.  
Edwin T. Preston will preach, as  
he will at the mouth of Quicksand  
in the afternoon, following the  
regular session of Sunday school.  
A hearty welcome to all.

John M. Pattison, Governor of  
Ohio, died at his home near Cin-  
cinnati, O., last Monday. He had  
been sick ever since his inaugura-  
tion in January. He was elected  
Governor last November on the  
Democratic ticket, by a majority  
of over 40,000 being the only  
Democrat elected. He was raised  
on the farm and held many im-  
portant positions and was one of  
Ohio's leading men. He will be  
succeeded by Andrew L. Harris,  
a Republican.

## CORRESPONDENCE.

### CROCKETTSVILLE.

Eldren Riley and his sister,  
Almira, of Buckhorn, were the  
guests of John B. Lewis recently.

Sherman Bowling, of Owsley  
county, was in the neighborhood  
recently buying sheep and was  
paying high prices.

Mrs. Goodson Ingram, Eldren  
Riley, John Woods, Sambo and  
Leonard Deaton, accompanied by  
Misses Anna Ingram, Mary Gay,  
Netta and Tyndana Deaton, were  
here Sunday.

Little Squire Riley, of Miller  
Branch, mysteriously lost a very  
fine dog. A ground hog had made  
a hole under a rock about a hun-  
dred yards from the house, and  
the dog was barking in the hole.

A few moments later the dog was  
found dead not far from the rock.  
It is thought that there is a poison-  
ous snake near and we would ad-  
vise that the family be careful for  
they might also get bitten.

### CLAY HOLE.

J. M. Allen and Jake Hounshell  
went to Jackson on business Mon-  
day.

Rufus Davis passed through here  
on his return from the Home Com-  
ing at Louisville.

The Cumberland Pipe Line Co.  
have had a number of men going  
over the line and cleaning off the  
right of way.

Dr. Swango passed through here  
Monday. He had been to see  
Anderson Harvey's girl who acci-  
dentally shot herself. The wound  
may prove fatal.

Miss Gibbs, who came here to  
hold Sunday school has also open-  
ed up a day school. All who de-  
sire to attend can do so free. This  
is a great help to the little folks  
and the people should help the  
work along.

### ROUSSEAU.

Willie Bohanon is over his crop  
the second time.

Carl Ely has made a monument  
on his dwelling house.

Elihue and Henry Clemons were  
at church here last Sunday.

Isaac Holbrooks, of Bays, took  
dinner with Daniel McIntosh Sun-  
day.

Joe Lovely has bought of Mrs.  
Pruda McIntosh timber for 8,000  
ties on Wolfe Creek.

The people are much pleased  
with the disappearance of the lo-  
custs and are glad that it will be  
seventeen years before they come  
back.

## Biliousness

Do not waste your energy in fits of anger. Save your nerve force for some worthier occasion.

That sallow, yellow look, those terrible headaches, that dulled brain; all these things spell biliousness, which is the direct result of a liver which fails to perform its functions in a natural way. Before you can destroy that bilious condition you must get your liver in form and nothing will accomplish this so quickly or so thoroughly as

### Dr. Caldwell's Syrup Pepsin

(Laxative)

This remedy is the most valuable one obtainable for all liver and kindred troubles, possessing properties which drive it directly to the affected parts. Better than pills, oils, salts and nauseous purgatives which aggravate conditions and leave the sufferer in worse condition than before. Former afflicted ones, now well and strong, pay eloquent tribute to its efficacy and power.

DR. CALDWELL'S SYRUP PEPSIN can be obtained in both dollar and half-dollar sizes from all druggists. Your money will be refunded if it does not benefit you.

Your postal card request will bring by return mail our new booklet, "DR. CALDWELL'S BOOK OF WONDERS," and free sample to those who have never tried this wonderful remedy. Write for it today.
